

Randi Tarczali Friend of SEPTA
Appreciation Award Nominations

Do you know someone who has made a difference in the life of your child? SEPTA would like to recognize those individuals who positively impact our children’s school experience. Previous recipients have included teachers, paraprofessionals, therapists, custodial staff, as well high school volunteers. Nominations will be accepted from SEPTA members for anyone across the district who contributes to their child’s educational or social experience. It is our goal to elicit nominations from parents representing each of the schools in our district. There are so many individuals who “go above and beyond” with our students; it is our hope to give special recognition to those individuals.

Based on our pool of nominations, SEPTA will present an award every few months. The Randi Tarczali Friend of SEPTA Award Committee will choose the award recipient and extend an invitation to the recipient and his/her principal or direct supervisor to receive this recognition at our next SEPTA meeting.

In the space below, please complete the information for your nomination. The completed form may be dropped off at the monthly SEPTA meeting or completed on our website at www.fairfieldsepta.org.
