

Fairfield SEPTA Meeting Minutes
April 27, 2022

- *Call to order*
 - Welcome – General Meeting
 - General Business:
 - Board position openings 2022-23: Many positions open. Please consider a position or volunteer as the SEPTA Board represents every school in the district. Participating may not be about taking on a board position but could also be about getting involved in many other volunteer roles. See SEPTA Roles & Responsibilities.
 - Provider & Resource Fair May 7, 10 am-1pm: So far we have around 30 vendors. Held at Warde High School. We are still accepting more vendors.
 - Special Ed Dept Report – Rob Mancusi: The CPP Program has begun on the campus at University of Bridgeport in a dedicated space. While we still have access to current job sites. Space at Sacred Heart is challenging. Discussions will continue with Fairfield U about getting some dedicated space there for next year. Working to schedule presentations about the move to Bridgeport U and to answer questions people may have.

Social Emotional Learning study nearing completion and BOE Presentation is in May.

Continue to plan for ESY. Staffing is a challenge as it has been during the school year with many staffing shortages.

- Any other business: Our goal is to have an in person meeting in May.
- **Special Presentation:** *Knowledge and Tools for Creating an Effective and Successful Caregiver Relationship*
